

ACCOMMODATIONS POLICY

To ensure the continued success of our events, all teams and participants must follow our Accommodations Policy.

OFFICIAL ACCOMMODATIONS

All teams must book through the accommodations listed on the event website. Hotels not listed are not participating partners for this event and therefore are not eligible for event-related stays.

BOOKING PROCESS - TEAM BLOCKS

Please contact the hotel directly, ask for the sales manager to set up your team's room block and reference the event name when booking.

INDIVIDUAL ROOM BOOKINGS

Teams not using a dedicated room block must still book directly through the hotel using the event booking link (if provided on the event website) or by calling the hotel and requesting the general event block.

SUBMIT YOUR CONFIRMATION

All room block confirmations must be submitted through the Dropbox file linked in this email. If families book rooms individually, those individual confirmations are still required.

MILEAGE EXEMPTION

Clubs located within 60 miles of the event are exempt from the housing requirements. Please complete and submit the Mileage Exemption Form in place of the hotel confirmation submission.

Thank you for your cooperation in helping us create a successful experience for everyone involved!
