All teams are seeded into groups of four or three teams for the "First Round" of pool play. 4 Team pools start at 8:00am on Saturday. All teams will be seeded into a new 4 team group for the "Second Round" of pool play, which will start immediately after the results from the first wave are posted on Saturday and conclude on Sunday. After the second wave of pool play all teams will be seeded into the "Third Round" of single elimination playoff brackets.

4 Team Pool and Playoff matches will play the best 2 of 3 rally score sets. The first two sets will be 25 points; no cap win by two. The third set, if required, will be a set to 15, no cap win by two points.

Teams will be seeded to the next round of play according to the won/lost results in their pool play.

TIE BREAKER PROCEDURES

- Two-way ties:
 - Result of Head-to-Head pool play match
- 3 or more teams tied:
 - Set percentage (Sets won/total sets played)
 - Point Differential based on that entire pool play
 - Coin Toss

The 2026 USAV Rules and JVA modifications will apply to all matches with the following clarification's and exceptions:

- 1. The first match on Saturday will start at 8:00 am. The first match on Sunday will start at 9:00 am.** All other matches will be played in order. Teams are to be ready to play when their match is sequentially ready to be played.
- 2. A 10 min. warm up the 2-4-4 format** will be used for **ALL** matches. The first two minutes will be for ball handling, followed by 4 minutes on the court for the serving team and then 4 minutes for the receiving team. The referee will conduct a coin toss for the first set and if necessary, the third set. Court officials will use the scoreboard clock to time warm-ups and time between sets.
- 3. 6 Players to Play:** Teams not having six players when called to the end line at the beginning of a match will forfeit the first set. The team will forfeit the match if they do not have six players within ten minutes after forfeiting the first set.
- 4. Protest:** Only rule interpretations can be protested, not judgment calls made by the officials. A protest must be filed at the time of the infraction and settled before the set continues. A protest will be resolved by a committee of the First Referee, Head Official, and the Site Director. The committee will vote to deny or uphold the protest. Their decision is final.
- 5. JVA Libero:** Teams may change libero(s) EVERY set, even if 2 are selected at the start of the match

OFFICIALS

"Up" referees will be provided for all matches. When scheduled, each team will provide two line judges, a scorekeeper, a scoreboard operator, a libero tracker and a 2nd (Down) referee. Teams must be on time for their refereeing responsibilities as if they were playing, see Exception 3, above, for penalties. **The 2ND Ref can be a coach or a player with the team coach assisting from the scorer's table or standing near the player ref.**
