Coaches and Administrators:

Rochester MN Sports and Rochester Community & Technical College (RCTC) are once again excited to host the NJCAA DIII Men's Basketball Championship. We last hosted this event in 2019 when our friends from Herkimer County Community College of Herkimer, NY took home the Championship trophy! We look forward to meeting many new faces as we work down to crown the 2020 NJCAA DIII Men's Basketball Champion!

While this may only be the third time that Rochester Sports and RCTC have teamed up to host the NJCAA DIII Men's Basketball Championship, the partnership actually has a long history of working together to host NJCAA events. Currently, Rochester plays host to the DIII Volleyball and Softball Championships and this has been the case since 2000 and 2006 respectively. Rochester Sports and RCTC have also partnered in hosting championships for Division III Women's Basketball, Division III Wrestling, and numerous Bowl Games for Football. We are looking forward to the excitement Men's Basketball will bring to our city and the new faces that will get to enjoy and experience Rochester.

A few items to note when reading over the information included in this packet would be that there will be three host hotels for the tournament that teams will be required to choose from: **Centerstone Plaza Hotel, Home 2 Suites, Springhill Inn & Suites and Kahler Inn & Suites**. Each of these properties can hold two to three teams max. You can contact the Rochester Sports office to see which hotels still have availability. Also, the Coach's Meeting and Tournament Banquet will be at 5:30 pm and 6:30 pm respectively at the Rochester Event Center, address can be found on page 10. Lastly, please know that some of this information is subject to change leading up to the Championship. For an updated version, please visit the tournament website: <https://www.rochestermnsports.org/events/2019-njcaa-diii-men-s-basketball-championship.html>

We recognize that this is a very special event for all involved, and we wish all teams luck in the coming months as the season progresses. There is a lot of time and effort that gets put into a winning season, and twelve teams will be fortunate enough to advance to compete for the National Championship. If there are any questions or concerns, please reach out and I will be happy to assist you. Good luck, and see you in Rochester!

Sincerely,

Kaleigh Curran
